

RTHS Class of 1976  
40<sup>th</sup> Reunion Info

March 1, 2016

Hello, Classmates!

Here is the registration form for our 40<sup>th</sup> (what??!!) reunion and information about the planned golf outing. Please consider joining us for as many of the activities as you can. For the vast majority of us, this chance only comes along every ten years!

Friday night will be a very informal gathering. We are asking that you wear purple and gold if you have it so that it is easy to identify the large flock of Eagles moving through downtown Champaign! Saturday night is also casual attire...so don't worry about what to wear. Your committee has planned fun events that we hope will encourage you to reconnect with long-time (not old) friends and reminisce.

If you are unable to attend, we are requesting that you send us a recent picture, an update on your life, a favorite memory from RTHS, etc. We will collect these and share them with your classmates on Saturday evening.

Please let us know of your intentions by the June 1<sup>st</sup> deadline. Whether you haven't missed a reunion or would be attending for the first time, we hope you can participate. The committee has been meeting since last June to make plans for a great weekend of nostalgia!
