

If the reply to is @students.rths.k12.il.us, it can be changed to @rths19.org through the following steps.
Go to google.mail.com

Click on the gear at the top right of the page. Choose settings.

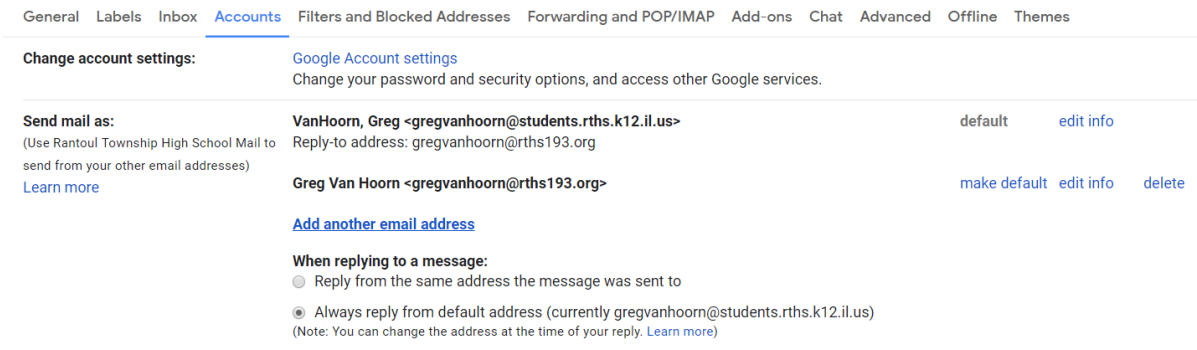

Then click on the accounts tab.

Click "Add another email address"
Fill in your information and be sure to click "Treat as an alias"

Click on "make default" next to the rths193.org

That's it.
